

How to Return eBooks using Adobe Digital Editions

Works for Nook, Sony Reader, Pandigital Novel and other like devices.

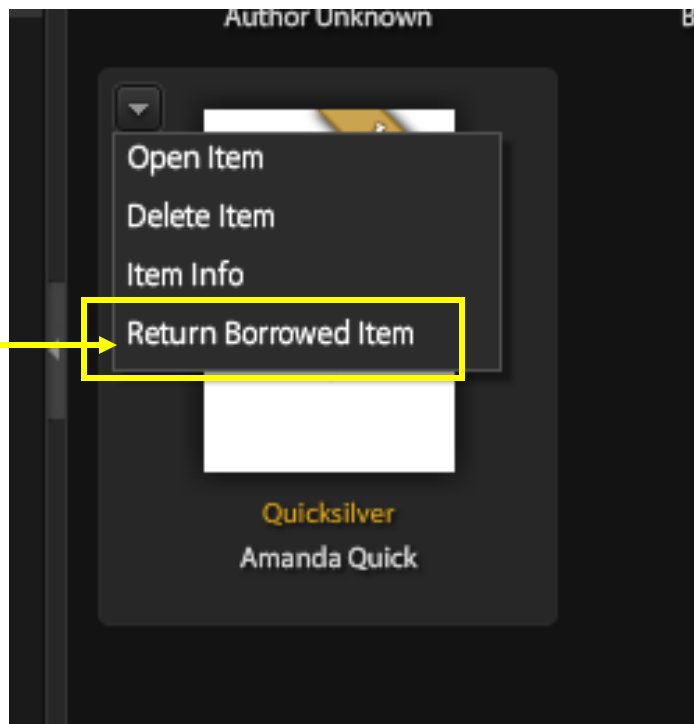

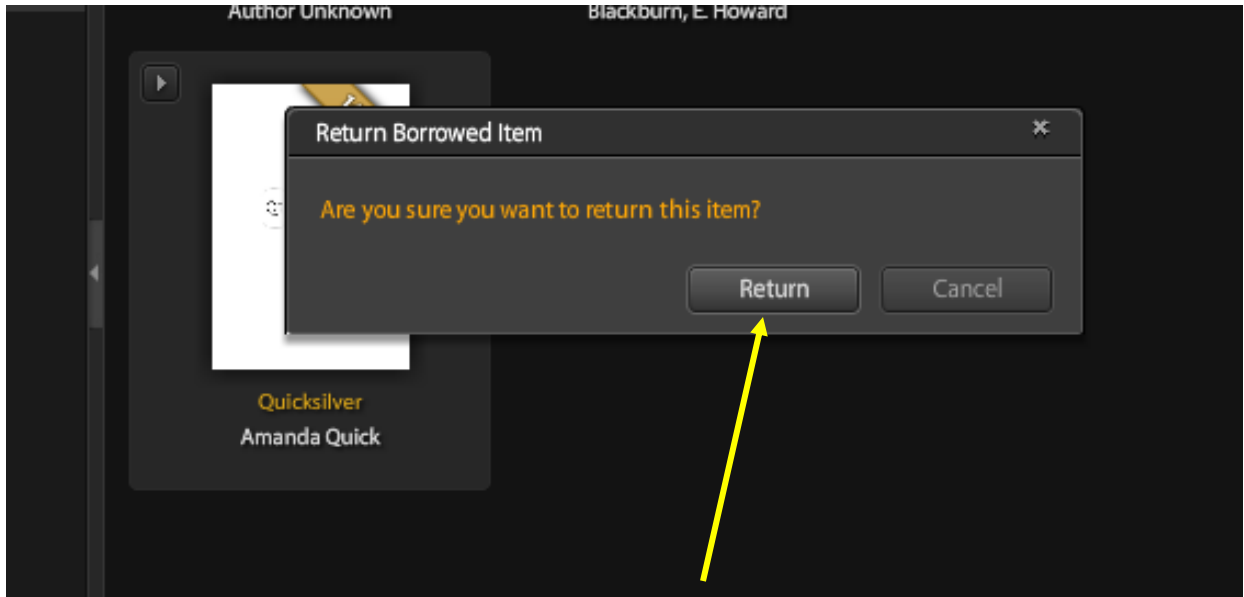

Open Adobe Digital Editions and locate the title you wish to return early.

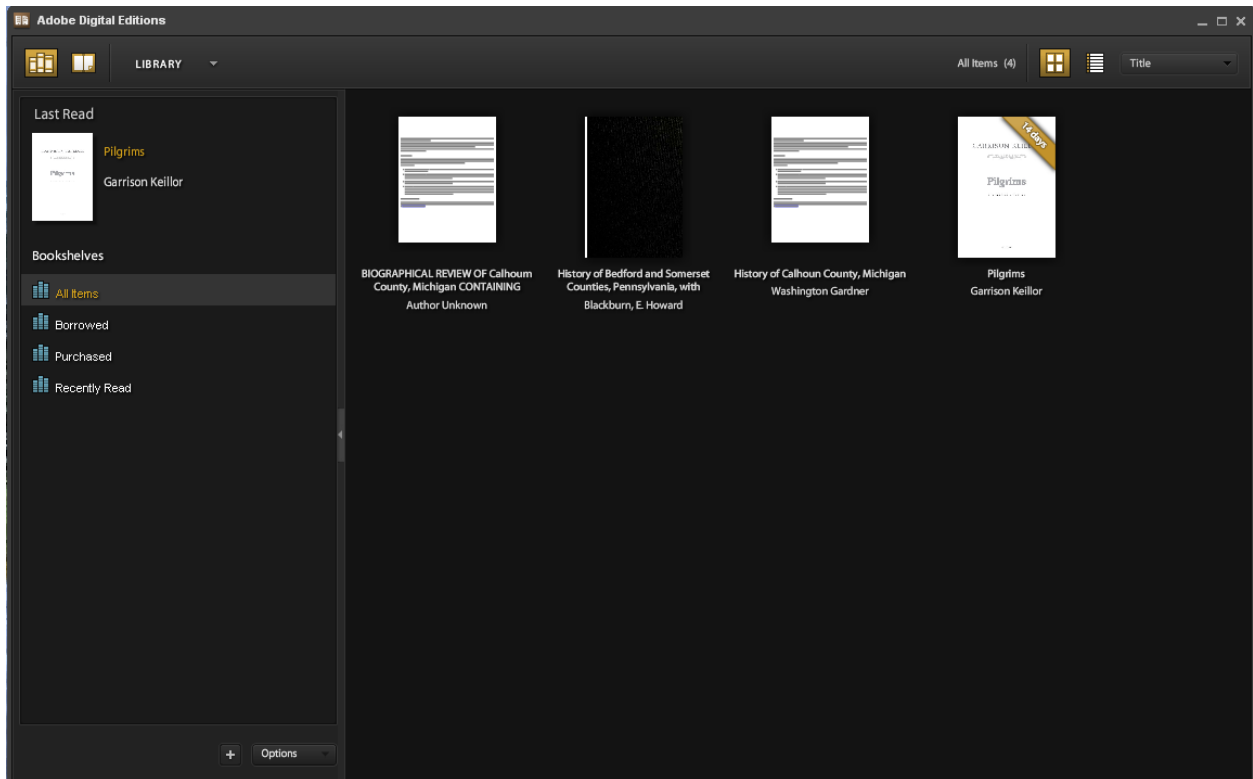

In the upper left hand corner of the book icon find the arrow that indicates a hidden drop down menu

Click on “Return Borrowed Item”

You will need to verify that you wish to return the item by clicking on the “Return” button.

The book will disappear from Adobe Digital Editions. You will need to manually remove the book from your device.
