

Event Guide

Register everyone in your Group: Use our events calendar to register as soon as possible, as spots are filling up fast. Please provide an accurate count of the total number of people in your group, including the names and ages of any pre-K children. This will help us ensure we have enough books and treat bags for everyone. Reminder, book and treat bags are only available for children who have not yet been to kindergarten.

What to Bring: To ensure you're comfortable during the event, bring a blanket or something to sit on. The grass is often still wet from dew in the morning. Wagons or strollers are a good idea in case you have to park at one of the overflow lots. Please wear layers as Michigan weather can be unpredictable.

How to Find Parking: Limited parking is available at Celery Flats, so it's best to arrive early to secure a spot. There are three parking lots on site, but the closest spots fill up quickly. If you can't find a spot at the park, you can use the trail behind the library and park at the First Reformed Church lot neighboring the library to ensure there's room for library patrons. Thank you to the church for this generous offer.
